

polar reception and depolar distribution

Keely

The Neutralization of Magnets

"Thus, either present *elements* are the true *elements*, or else there is the probability before us of obtaining some more high and general *power of nature*, even than *electricity*, and which at the same time might reveal to us an entirely new grade of *matter*, now hidden from our view and almost from our suspicion. - [FARADAY]

Question. How can a *magnet* be robbed almost instantaneously of its *magnetic power*?

Answer. The peculiarity of the *sympathetic conditions* which *conserve* a *magnet* to *polar* and *anti-polar currents* of the *earth*, prove perfect *sympathetic equation* between *reception and distribution* in that part of the *electrical field* which is classified, in *my system*, as *interatomic vibratory oscillation*.

This *oscillation* represents, in its *corpuscular field of action*, an *alternating wave-motion* of *one hundred and twenty-eight thousand four hundred vibratory exchanges per second*, between **polar reception and depolar distribution**, thus establishing its perfect *sympathetic concordance* to that *third* of the *electric triple stream* which represents the *sixths* in *vibratory sympathetic physics*. The *sympathetic action* of the *magnet*, when *electrically sensitized*, becomes *subservient* to *polar attraction* as a *medium* through which a portion of its *flow* is *diverted*; no longer *latent*, but highly *active* as long as its *magnetic sympathy* (as electrically *induced*) continues, and it will then *associate* itself with every *medium* in *nature* in which this *element* exists in its *latent state*, from *steel* to *oxygen* at a low *temperature*.

We have now reached a starting-point from which to obtain a *conception* of the manner in which a *magnet* can be *neutralized*, that is, robbed of its *coincident unity*, or *subservience* to *polar negative attraction*." [The Operation of the Vibratory Circuit]

Christ Returns - Speaks His Truth

"By working together as a team, separately but inseparable, in the *visible* world, these *twin impulses* were the means by which the **substance of 'matter' itself** has been created out of the sublime '**UNIVERSAL CONSCIOUSNESS**'.

One impulse of creativity is: the 'I'ness of ACTIVITY.

This **impulse of activity is universal and stems from only one source.**

'Activity' is a movement in CONSCIOUSNESS, and CONSCIOUSNESS in movement.

The other **creative impulse** possesses (figuratively speaking) **two faces** looking in opposite directions.

They are:

BONDING - REJECTION

Pull toward -> the self <- Push away

otherwise known as

ATTRACTION - REPULSION

Attract -> to - THE SELF - from <- Repel

within **CONSCIOUSNESS**.

These are the ONLY means by which earthly existence has been achieved.

The entire universe is a manifestation of the 'Creative Power' active within these Twin Impulses of PHYSICAL BEING - creating 'matter' and individual form.

This is one of the fundamental 'secrets' of the universe.

I saw that the 'core' of the '**Personality**' or '**ego**' as it is now called, had been created '**GUARDIAN of PERSONALITY**'

and was irresistibly imprinted with the **magnetic impulse** to ensure

PRIVACY and SURVIVAL.

For the protection of the individual 'I'ness

This was accomplished by using the **two faces of the second Impulse of Being**

BONDING - REJECTION to secure individuality.
